## Ellesmere Port In Bloom

We are a constituted community group who maintain the named planters in each area and the Community Garden outside the Civic Hall. We also have a tool library at Stamford Street Allotments where other groups or those wishing to improve their area can borrow tools.

## Wellness Community Partnership

We grow food for the local community and help maintain local green spaces by gardening, clearing and tidying up. We also support a variety of activities such as wellness programs, crafting and cooking workshops. We run most of our activities from The Haven Garden in Wolverham.

## Stamford Street Allotment Society

Our allotment society is dedicated to ensuring people of all backgrounds can come together and share knowledge, skills and ideas while cultivating fresh produce. Whether you want your own plot or to help on our community plot you will be welcome at the allotments.

### **Friends of Elm Grove Community Park**

Our group of local residents help look after Elm Grove Community Park in Whitby. We hold regular weekend impact days and are proud of our green flag community award for the work we do improving the area for people and wildlife.

### **Cheshire West and Chester Council Allotments**

We manage 10 allotments in Ellesmere Port and have 3 more self-managed sites. Anyone can apply and waiting lists are shorter than you think.

### **Cheshire College South & West**

We grow micro herbs to ensure that the ingredients at our Academy West Restaurant are as local as possible. We want to encourage more students to start growing produce locally and to cook using fresh local fruit and veg.

## **Chapter Mental Health @The Haven**

We manage The Haven Community Garden in Wolverham. We use the calm garden to improve the mental health of our service users, running weekly sessions there, and are keen to encourage other groups to use the space.

**[info@chaptermentalhealth.org](mailto:info@chaptermentalhealth.org)**

## **MHA Communities Cheshire West**

We invite older people to join us at Mayfields and The Hawthorns in Overpool to enjoy our Green Care Wellbeing Project. We see the health and wellbeing benefits of gardening for older people with health issues or early stages of dementia.

**[cheshirewest@mha.org.uk](mailto:cheshirewest@mha.org.uk)**

## **Whitby Park Community Garden**

We grow fresh veg and fruit in the park with the help of volunteers. We promote well-being, ecology and the environment and encourage people to try new stuff. Our produce, plants and handmade crafts are available to buy onsite.

**[whitbyparkgarden@btconnect.com](mailto:whitbyparkgarden@btconnect.com)**

## **The Conservation Volunteers**

We connect people and green spaces to deliver lasting outcomes for both. We run supervised gardening and conservation sessions in a number of Ellesmere Port's Green Spaces, Allotments and Community Gardens.

### **Whetstone Hey Allotment Association**

We are a Community based, self-managed Allotment Association. Our elected committee meet regularly and our constitution and site rules allow efficient and fair running of our 46 plot site for all members. Membership is open to anybody.  
**[whaallotments@gmail.com](mailto:whaallotments@gmail.com)**

### **The Peoples Pantry@ Wolverham Community Centre**

We encourage people to learn about where their food comes from through our activities at Wolverham Community Centre. We also cook meals for the community and are keen to use local produce to do this.  
**[jade@thepeoplespantryep.co.uk](mailto:jade@thepeoplespantryep.co.uk)**

### **Vivo Care Choices @ Stanlaw Abbey Children Centre**

Our service users enjoy growing produce together at Stanlaw Abbey's Allotment. We visit older people in our community so they can select what they need from the produce we've grown, with donations used for next year's seeds  
**[vivocarechoices.co.uk](http://vivocarechoices.co.uk)**

### **Westminster Families @ Westminster Community Garden**

We are turning a bowling Green in George Street, Westminster into a community garden. We want families to get outdoors more and provide a safe space for community groups, schools and locals to grow, have fun and engage with nature.
